Gratitude for Wise Women

*How good and pleasant it is when sisters live together in unity.
For there the Lord bestows his blessing!
Psalm 133:1 & 3 (NIV)*

The Women Wanting Wisdom Forums and Bible Studies have been blessed with an abundance of love, peace, joy, and excitement. The spirit of the Lord has been heavy and evident in every aspect of our time together. Miracles of His move were often not known until days later.

We are grateful.

It is the premise of Women Wanting Wisdom that you have wisdom gained in life that I need and I have wisdom you need. This year sisters have exchanged love and wisdom over tea; in meetings, and in quiet prayer corners.

We are grateful.

Thank you and thank God for the graces given to each of us for the other. Thank you for sharing your wisdom, your wealth and your warmth.

We are grateful.

As we prepare our homes and hearts for a time of celebrating the blessings of God, sisters...

Selah Pause and reflect

*God doesn't always give us the sisters we want, He gives us the sisters we need!
To help us, to hurt us, to encourage us, to love us and to make us into the person we are
meant to be. We are grateful for you!*

Prayer

Thank you Father for the women of wisdom you have gifted into our lives. Bless them with grateful, giving hearts. We will be careful to give you all the glory and honor. Amen

We prayerfully wish you and your family a Blessed and Happy Thanksgiving.

Love to you,

Karen, Melody, Kathy and all the Wisdom Team
